Steele CountyXLC
Workgroup Meeting #5
Owatonna Wastewater Treatment Plant
9:00 AM, August 24, 1999

NOTE: This is the last scheduled workgroup meeting. It would be very helpful to get as many different sponsor representatives to this meeting as possible.

Agenda:

1. Review and comment on Attachment A baseline information.
2. Review and comment on the new draft of the FPA (attached).
3. Discuss Next Steps

If you have trouble opening either one of these two versions the document will be up on our website in a PDF form shortly. The Web address is:
