Re: 30 Day Construction Notice and Transmittal of Bond – MP 01 2007

Dear Mr. Fitch:

As you know, mine permit number MP 01 2007 was issued to Kennecott Eagle Minerals Company (Kennecott) on December 14, 2007. As detailed in the permit, certain actions need to be taken by Kennecott in order for the permit to become effective. The outstanding actions include providing a 30 day construction notice and posting a reclamation bond. This letter is intended to provide the 30 day construction notice and transmit the reclamation bond.

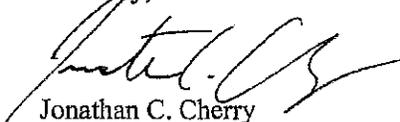

As required by rule R425.401, Kennecott Eagle Minerals Company (Kennecott) is providing notice (30 Day Notice) to the Michigan Department of Environmental Quality (MDEQ) that Kennecott intends to begin construction at the Eagle Mine located in Marquette County on or after August 1, 2008. Kennecott recognizes that there are additional requirements that must be met as part of the MDNR surface lease prior to breaking ground on state surface.

Also required by rule, R425.301 as well as by permit condition O.1, Kennecott is required to post a \$17 million bond to make the permit effective. Transmitted with this letter is the required \$17 million bond issued by Travelers Casualty and Surety Company of America.

Kennecott recognizes that other reports and plans are required to be submitted to MDEQ prior to construction of certain facilities (e.g. Contact Water Basins, Temporary Development Rock Stockpile) and other plans are required prior to operations (e.g. Impermeable Surface Inspection and Surface Repair Plan). These plans will be submitted in due course. Kennecott also recognizes that other requirements from the Michigan Department of Natural Resources (MDNR) exist relative to commencement of construction activities on certain portions of the project. However, this 30 day notice and transmittal of the reclamation bond contained in this letter fulfill Kennecott's submittal obligations making MDEQ mine permit MP 01 2007 effective.

If you have any questions about the notice or reclamation bond, please contact me at 906.225.5791.

Sincerely,

Jonathan C. Cherry
General Manager
