has determined that domestically manufactured goods are not currently available. The information provided is sufficient to meet the following criteria listed under Section 1605(b) of the ARRA and in the April 28, 2009 Memorandum: Iron, steel, and the manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality. Therefore, EPA has determined that a nationwide categorical waiver for this product is appropriate.

This waiver expires one year from the day it takes effect. Furthermore, EPA reserves the right to withdraw or amend this nationwide waiver based on new developments or changes in the domestic manufacturing capacity for these items.

Michael H. Shapiro,
Acting Assistant Administrator for Water.
