"Yes, we are open!"

Welcome to Battlefield Golf Club At Centerville!

We are very excited to offer a new experience to golf in Hampton Roads. The Course has the most topography of any course in the immediate area with some elevations as high as 35 to 40 feet above ground level!

The Course is located at the corner of Centerville Turnpike and Whittamore Road in Chesapeake just South of Mt. Pleasant Road. This beautifully shaped course by Bobby Holcomb is an 18 hole par 70 and will measure approximately 6200 yards from the back tees. The Course opened on October 13, 2007 to the general public and has very competitive rates. This links style course is built around 7 lakes and was designed to have lots of challenges for all skill levels. Battlefield Golf Club is a soft spike, collared shirt facility.
