Re: West Virginia RCRA Reauthorization Package

Dear Stacie:

Enclosed for consideration by the Regional Administrator, please find the original documents evidencing West Virginia's RCRA reauthorization package, including a Program Description, 12 appendices evidencing West Virginia's regulatory framework of the RCRA program, and legal certification of the same. If you need anything further in order to consider West Virginia's request for reauthorization of its RCRA program, please do not hesitate to contact me.

Thank you for your kind assistance in this matter.

Very truly yours,

Kristin A. Boggs
