NOTICE OF INTENT TO ISSUE CLEAN AIR ACT PART 71 TRIBAL RENEWAL
OPERATING PERMIT

The U. S. Environmental Protection Agency (EPA) requests public comment on the draft Title V renewal operating permit for Great Lakes Gas Transmission Limited Partnership. (Permit No. V-LL-2706100011-14-01) located in Deer River, Minnesota on the Leech Lake Band of Ojibwe Tribal Community. The permit will authorize Great Lakes Gas Transmission Limited Partnership to continue to operate a natural gas compressor station. The permit contains all the Clean Air Act requirements applicable to the source and requires that the source conduct monitoring sufficient to enable EPA and the public to determine whether the source is complying with the air quality requirements applicable to the Facility.

All documents are available for review online at <http://www.epa.gov/region5/air/tribes/index.html>. The draft permit is also available for review at <http://yosemite.epa.gov/r5/r5ard.nsf/Tribal+Permits!OpenView>

Copies of the permit application, draft permit, technical support document, and the public notice are also available at the following nearby library:

- Grand Rapids Public Library, 140 NE 2nd Street, Grand Rapids, MN 55744

Members of the public may review copies of the draft permit prepared by EPA, the review documents for the draft permit, the application, and all supporting materials submitted by the source at the EPA Region 5 office in Chicago located at 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604, by contacting Kaushal Gupta at (312) 886-6803 or gupta.kaushal@epa.gov. All documents will be available for review at the EPA Region 5 office in Chicago Monday through Friday from 8:15 AM until 4:45 PM Friday (excluding federal holidays).

Written comments and requests to receive notices of any future actions may be sent to George Czerniak, Director, Air and Radiation Division (A-18J), at the above EPA address or faxed to (312) 886-0968 by **June 1, 2015**. All written comments should include: the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

Members of the public may also request a public hearing. A request for a public hearing must be made in writing and must state the nature of the issues proposed to be raised at the hearing. Written requests for a public hearing should be sent to the EPA address listed above.

All relevant comments received prior to the end of the public comment period will be considered in arriving at a final decision on the permit. All comments will be included in the public docket without change and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business

Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If you send e-mail directly to EPA, your e-mail address will be captured automatically and included as part of the public comment. Please note that an e-mail or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permits. If you believe any condition of the draft permit is inappropriate or that our initial decision to deny an application, terminate a permit, or prepare a draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period.
