

Oronogo Duenweg Mining Belt Site Administrative Record Joplin, MO

Introduction and Index

This index of documents for the Record of Decision (ROD) Amendment Administrative Record #63036 lists documents considered by the United States Environmental Protection Agency with respect to response actions at the Oronogo-Duenweg Mining Belt Site, Operable Unit (OU) 01.

The Administrative Record file index lists documents chronologically in date order, system default for undated documents is 01/01/1111. This sorting scheme corresponds with the arrangement of the documents in the Administrative Record itself. In cases where documents contain only partial dates, the index defaults to the first day of the month.

All documents included in the <u>Compendium of CERCLA Response Selection Guidance</u> <u>Documents</u> revised in March 1991, are hereby included in the Administrative Record file by reference. All previous Administrative Records files are also included by reference.

The Administrative Record is available for public review at:

The United States Environmental Protection Agency Region 7 Record Center 11201 Renner Blvd. Lenexa, KS 66219

Joplin Public Library 300 Main Joplin, MO 64801

Webb City Public Library 101 South Liberty Web City, MO 64870

Carl Junction City Hall 303 North Main Carl Junction, MO 64834

For your convenience the Administrative Record will also be available for review on the web within two weeks after the public comment period starts, at the following URL: http://www.epa.gov/region7/cleanup/npl_files/index.htm#Missouri
