**CONSENT AGREEMENT**

1. This Consent Agreement and Final Order ("CA/FO") is issued under the authorities vested in the Administrator of the United States Environmental Protection Agency ("EPA") by Sections 1423(c) and 1445(a) of the Safe Drinking Water Act (the "SDWA" or the "Act"), 42 U.S.C. §§ 300h-2(c), 300j-4(a). The Administrator has delegated these authorities to the Regional Administrator of EPA Region IX. The Regional Administrator in turn has delegated these authorities to the Director of the Water Division, EPA Region IX. In accordance with these authorities, and with the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits," 40 C.F.R. Part 22 (hereinafter "Consolidated Rules of Practice"), the Director of the Water Division, EPA Region IX, hereby issues, and Fred Romanchak and Kula Lodge & Restaurant, Inc. ("Respondents"), hereby agree to the issuance of, this CA/FO.

2. Respondents and Complainant (the "Parties") agree that settlement of the matters at issue in the attached "Complaint and Proposed Administrative Order with Administrative Civil Penalty" ("Complaint"), Docket No. UIC-09-2009-0003, without further litigation, will save time and resources, is in the public interest, is consistent with the provisions and objectives of the Act and applicable regulations, and that entry of this CA/FO is the most appropriate means of resolving such matters.

In addition, a late payment handling charge of \$15.00 will be assessed for each thirty (30) day period (or any portion thereof) following the due date in which the balance remains unpaid. #### GENERAL PROVISIONS

11. Respondents consent to the issuance of this CA/FO and the conditions specified herein, including the compliance requirements and payment of the administrative civil penalty in accordance with the terms of this CA/FO.

12. Respondents admit the jurisdictional allegations in the Complaint and this CA/FO and agree not to contest, in any administrative or judicial forum, EPA's jurisdiction to enter into this CA/FO.

13. Respondents neither admit nor deny the non-jurisdictional allegations set forth in the Complaint.

14. In accordance with Section 1423(c)(3)(B) of the Act, 42 U.S.C. § 300h-2(c)(3)(B), and 40 C.F.R. Section 22.45(b), Complainant published public notice of the Complaint on the EPA Region 9 website on September 30, 2009 and the public comment period closed on October 30, 2009.

15. Respondents waive any right to a hearing under Section 1423(c)(3) of the Act, 42 U.S.C. § 300h-2(c)(3). Respondents waive any right to contest the allegations contained in the Complaint and in this CA/FO, or to appeal the CA/FO.

16. This CA/FO, inclusive of all exhibits, appendices, and attachments, is the entire agreement between the Parties to resolve EPA's administrative order and civil penalty claim against Respondents for the specific SDWA violations alleged in the Complaint. Full compliance with this CA/FO shall constitute full settlement only of Respondent's liability for

federal administrative civil penalties for the SDWA violations specifically alleged in the Complaint.

17. The provisions of this CA/FO shall apply to and be binding upon Respondents, their officers, directors, agents, servants, authorized representatives, employees, and successors or assigns. Action or inaction of any persons, firms, contractors, employees, agents, or corporations acting under, through, or for Respondents shall not excuse any failure of Respondents to fully perform their obligations under this CA/FO.

18. Respondents shall give notice, and provide a copy of this CA/FO, to any successor-in-interest prior to transfer of ownership or operation of the large capacity cesspools referred to in paragraph 13 of the Complaint. Such transfer, however, shall have no effect on Respondents' obligation to comply with this CA/FO. Respondents shall notify EPA in writing at least thirty (30) days prior to any such transfer of ownership or operation of the large capacity cesspools referred to in paragraph 13 of the Complaint.

19. This CA/FO does not constitute a waiver, suspension, or modification of the requirements of any federal, state, or local statute, regulation or condition of any permit issued thereunder, including the requirements of the Act and accompanying regulations.

20. Issuance of this CA/FO does not in any case affect the right of EPA to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law, nor does it affect Respondents' rights to contest any such action by EPA.

21. This CA/FO is not a permit or modification of a permit. It shall not affect Respondents' obligation to comply with all federal, state, local laws, ordinances, regulations, permits, and orders. Issuance of, or compliance with, this CA/FO does not waive, extinguish, satisfy, or otherwise affect Respondents' obligation to comply with all applicable requirements of the SDWA, regulations promulgated thereunder, and any order or permit issued thereunder.

22. EPA reserves any and all legal and equitable remedies available to enforce this CA/FO, as well as the right to seek recovery of any costs and attorneys' fees incurred by EPA in any actions against Respondents for noncompliance with this CA/FO. Violation of this CA/FO shall be deemed a violation of the Act.

23. Except as stated in paragraph 22 of this Consent Agreement, each party hereto shall bear its own costs and attorneys fees incurred in this proceeding.

24. Respondents shall not deduct the administrative civil penalty, nor any interest, late penalty payments, or administrative handling fees provided for in this CA/FO from its federal, state, or local income taxes.
