Action: Notice of Proposed Assessment of Clean Water Act Class II Section 309(g)(2)(B) Administrative Penalty and Opportunity to Comment

Under Section 309(g)(2)(B) of the Clean Water Act (CWA), 33 U.S.C. § 1319(g)(2)(B), EPA is authorized to assess a civil penalty after providing the person subject to the penalty notice of the proposed penalty and the opportunity for a hearing, and after providing interested persons public notice of the proposed penalty and a reasonable opportunity to comment on its issuance. In a Class II proceeding under Section 309(g)(2)(B), any person who violates certain provisions of the Clean Water Act may be administratively assessed a civil penalty of up to \$137,500 by EPA. Class II proceedings are conducted in accordance with the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits," at 40 C.F.R. Part 22 (Part 22).

The procedures by which the public may submit written comments on a proposed Class II penalty order or participate in a Class II penalty proceeding are set forth in Part 22.
