Date of Notice: August 15, 2011

Public Notice Number: PN2011-0011

Comment Period: August 16, 2011 – September 14, 2011

Action: Notice of Proposed Assessment of Class II Clean Water Act Section 309(g)(2)(B) Administrative Penalties and Opportunity to Comment

Under Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g), EPA is authorized to assess a civil penalty, after providing the person subject to the penalty with notice of the proposed penalty and the opportunity for a hearing, and after providing interested persons public notice of the proposed penalty and a reasonable opportunity to comment on its issuance. In Class II proceedings under Section 309(g)(2)(B), any person who violates certain provisions of the Clean Water Act may be administratively assessed a civil penalty of up to \$10,000 per violation per day for each day during which the violation continues, up to a maximum of \$125,000. Pursuant to 40 C.F.R. Part 19 (“Adjustments of Civil Penalties for Inflation”), promulgated pursuant to the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, the maximum civil penalties that may be administratively assessed have been increased as follows: for violations occurring between March 15, 2004 and January 12, 2009, up to \$11,000 per violation per day for each day during which the violation continues; and for violations occurring on or after January 13, 2009, up to \$16,000 per violation per day for each day during which the violation continues, up to a maximum total penalty of \$177,500. Proceedings are

conducted in accordance with the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits,” at 40 C.F.R. Part 22 (“Part 22”).

Part 22 sets forth the procedures by which the public may submit written comments on a proposed penalty order or participate in a penalty proceeding. The deadline for submitting public comment on a proposed penalty order is thirty (30) days after issuance of the public notice.

Pursuant to Section 309(g), EPA is providing public notice of the following proposed administrative penalty assessment:
