Re: Supplemental Request for Information Pursuant to Section 104 of CERCLA in relation to the former Whitney Barrel Company at the Wells G & H Superfund Site in Woburn, Massachusetts, hereinafter referred to as the "Site"

Dear Mr. Lamm:

The United States Environmental Protection Agency (EPA) is investigating the source, extent and nature of the release or threatened release of any hazardous substance, pollutant or contaminant, or hazardous waste at the Whitney Barrel Company, 256 Salem Street, Woburn, Massachusetts, situated within the Wells G & H Superfund Site in Woburn, Massachusetts (the "Site"). This investigation includes an inquiry into the identification, nature, source, and quantity of materials transported to the Site and/or generated, treated, stored, or disposed of at the Site. This letter seeks your cooperation in providing information and documents relating to the environmental conditions at, and cleanup of, the Site.

Specifically, EPA is seeking additional details regarding some of the information you provided in your, January 15, 2004, response to EPA's Section 104(e) Request For Information dated December 15, 2003. This letter requests your cooperation in providing information and documents to EPA clarifying your relationship to the Whitney Barrel Company and thereby your relationship to the Site.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9604(e), you are hereby requested to respond to the Information Request set forth in the Enclosure to this letter.

While EPA seeks your voluntary cooperation in this investigation, compliance with the Information Request is required by law. Failure to provide a complete truthful response to this Information Request **within thirty (30) days** of your receipt of this letter, or to adequately justify such failure to respond, may subject you to an enforcement action by EPA pursuant to Section

104(e) of CERCLA. This provision permits EPA to seek the imposition of penalties of up to thirty-two thousand five hundred dollars (\$32,500) for each day of non-compliance.

Please note that responses which are incomplete, ambiguous, or evasive will be treated as complete non-compliance with this Information Request. Also, be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. § 1001.

This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. § 3501 et seq. Your response to this Information Request should be mailed to:

U.S. Environmental Protection Agency

If you have questions concerning the this Information Request, you may contact Martha Bosworth, Enforcement Coordinator at 617-918-1407. Technical questions concerning the Site should be referred to Joseph LeMay, the Remedial Project Manager at 617-918-1323. If you have legal questions, or if your attorney wishes to communicate with EPA on your behalf, please contact Susan Scott, Enforcement Counsel at (617) 918-1778.

Due to the seriousness of the problem at the Site and the legal ramifications of your failure to respond properly, EPA strongly encourages you to give this matter your immediate attention and to respond to this Information Request within the time specified above. Thank you for your cooperation in this matter.

Sincerely,

Bruce A. Marshall, Chief
