**The 33rd Annual Meeting of the New England Association of
Environmental Biologists**

Water's Edge Resort & Spa
Westbrook, Connecticut

March 18 - 20, 2009

**1st Annual NEAEB Hockey Game
Call for Players and Spectators**

This year several NEAEB attendees are organizing the 1st Annual NEAEB Hockey Game. If this year is a success the event will be organized at future NEAEB conferences as well. Currently a game has been scheduled, pending player commitment.

Where: Town of East Haven Ice Rink (25-30 minutes from the resort)

When: March 18th, 9:00pm - 10:30pm (a locker room will be available around 8:30)

Price: \$28.00 per player if we have 18 players (\$295.00/hour for the ice; \$65 for a Referee). Payment is due at the game on the 18th. The more players we have or if someone volunteers to referee the cheaper the game fee.

Requirements: There is no required skill level as this will be a game for fun. Full equipment is still required. If you are lacking certain equipment contact the organizer and limited gear may be able to be provided.

Registration Deadline: Monday, March 2nd. To register send an e-mail to the organizer listed below confirming you will play. There needs to be enough people willing to play for the game to move forward.

Please register for the game by contacting:

Alexander J. Smith
