Centredale Manor Restoration Project
North Providence, Rhode Island**

Attendees:

Eugenia Marks, Urban Rivers Team and Audubon
Ian Lang, Sen. Lincoln Chafee's office
Matt DeStefano, RI DEM
Sarah Martino, RI DEM
Bob Vanderslice, RIDOH
Angela Bonarrigo, EPA community relations
Anna Krasko, EPA remedial project manager

Agenda:

- Technical Update (A. Krasko)
 - Anna updated the MAC on the field work at Centredale Manor, all borings and monitoring wells have been completed. In the next month 15 piezometers are planned to be installed at transects over the Centredale and Brook Village properties.
 - Anna handed out the NTCRA Action Memorandum with a Responsiveness Summary signed on January 18, 2001 and briefly described contents of the package. Also informed MAC that EPA plans to negotiate performance of the NTCRA with the potentially responsible parties over the next few months.
- Community Outreach Update (A. Bonarrigo)
 - Angela distributed press release on issuance of the NTCRA Action Memorandum, with comments by MAC members.

- Angela updated the MAC on EPA's work on the fish consumption survey and EPA's plans to further discuss distribution of the survey with EPA staff on the Urban River team. Bob Vanderslice said that DOH will have an intern this summer who may be available to do some follow up work for the survey.

- Angela distributed MAC meeting notes for several meetings and suggested that future MAC notes be sent to MAC members via e-mail as more effective means of distribution

- Other Items

- Next meetings are scheduled for 2/07/01 and 2/21/01.

- Ian informed the MAC that Ted Michaels, Staff Director with US Senate Committee on Environment and Public Works, plans to visit the site and schedule a meeting on 2/21/01.
