**RE: Data Validation Summary Reports
April / July 2002 Sampling Events
Centredale Manor Restoration Project
North Providence, Rhode Island**

Dear Ms. Krasko:

As requested, the data validation summary reports for the April and July 2002 sampling events are attached for your review. The reports include Region I worksheets and annotated Form Is for the sample delivery groups associated with these sampling events. Upon your review of the attached reports, please feel free to contact me at (860) 410-2976 should you have any questions.

Sincerely,

LOUREIRO ENGINEERING ASSOCIATES, INC.

David N. Scotti, P.G.

Project Manager
