PUBLIC COMMENT

Public Comment Period Extended until Monday, September 17, 2012 for the Proposed Cleanup Plan Amendment for the Centredale Manor Restoration Project Superfund Site in North Providence and Johnston, RI. EPA recently finalized a non-cancer science assessment for dioxins. To use the best and most current science available, EPA is proposing to use the new dioxin toxicity value to revise the site's human health risk assessment and cleanup levels. EPA wants to hear from you about these proposed modifications.

Information is available at the Johnston and North Providence libraries and on-line at www.epa.gov/region1/superfund/sites/centredale.

Send comments by email (krasko.anna@epa.gov), fax (617-918-0232), or mail, postmarked by 9/17/12, to:
