Greenbelt, MD 20770

## Introduction to the Collection

This is the Administrative Record Index for the Centredale Manor Restoration Project Superfund Site, North Providence, Rhode Island, Record of Decision (ROD), released September 2012. The file contains site-specific documents and a list of guidance documents used by EPA staff in selecting a response action at the site.

This record includes, by reference, the Administrative Record for the Centredale Manor Restoration Project, the Removal Action Administrative Record, dated August 1999, the Removal Action Addendum Administrative Record, dated January 2000, the Removal Action Addendum 2 Administrative Record, dated October 2000, the Removal Action Addendum 3 Administrative Record, dated October 2006, the Removal Action Addendum 4 Administrative Record, dated October 2009, the Removal Action Addendum Administrative Record, dated December 2005, the Interim Engineering Evaluation/Cost Analysis (EE/CA) Approval Memorandum Administrative Record, dated January 2000, Non-Time Critical Removal Action Administrative Record File, dated January 2001, the Record of Decision (ROD) Proposed Plan Administrative Record, released October 2011, and the Record of Decision (ROD) Proposed Plan Amendment Administrative Record, released July 2012.

Documents listed as bibliographic sources in reports might not be listed separately in the index.

The administrative record file is available for review at:

An administrative record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this administrative record file should be directed to the EPA New England site manager.
