Re: Allendale Mills Associates Limited Partnership
Section 104 Request - Centredale Manor Restoration Project Superfund Site

Dear Ms. Fennelly:

As counsel to Allendale Mill Associates Limited Partnership, we are writing in response to the Section 104 Information Request letter to Allendale dated January 20, 2000.

Please be advised that it is the intent of our client to respond to the Section 104 Request, but since it has been a number of years since our client had any ownership interest in the property in North Providence, all of the files from which information could be obtained to respond to the Request are in storage. However, such files are in the process of being retrieved from storage, and our client will endeavor to respond to the Request as promptly as possible.

If you have any questions, please feel free to call me.

Sincerely yours,

Richard A. Sherman
