**THIRD AMENDMENT TO  
ADMINISTRATIVE ORDER ON CONSENT**

Pursuant to Paragraph 52 of the Administrative Order on Consent between the United States Environmental Protection Agency, Region I ("EPA") and Peterson/Puritan, Inc. dated May 29, 1987 ("Consent Order"), the terms of the Consent Order, as amended, by the Second Amendment to Administrative Order on Consent dated July 13, 2001 ("Second Amendment"), are hereby amended as follows. Paragraphs 1, 12, 12a, 26 and 59 as set forth in the Second Amendment are hereby deleted and replaced by Paragraphs 1, 12, 26 and 59 of this Third Amendment to the Administrative Order on Consent ("Third Amendment"). Paragraphs 1a, 60, 61, 62, 63, 64 and 65 shall be added to the Consent Order.

1. This Consent Order, as amended, is entered into voluntarily by EPA and the parties listed in Appendix I ("Respondents"). Under this amended Consent Order: (1) the Performing Respondents CCL Custom Manufacturing, Inc. (formerly Peterson/Puritan, Inc.) ("CCL") and Waste Management of Massachusetts, Inc., Waste Management Disposal Services of Massachusetts, Inc., Waste Management of Rhode Island, Inc., and Clean Harbors of Braintree, Inc. (collectively referred to herein as "Waste Management") agree to complete a Remedial Investigation and Feasibility Study ("RI/FS") at the Second Operable Unit of the Peterson/Puritan, Inc. Superfund Site (hereinafter called "OU-2"), and (2) Waste Management and the Contributing Respondent Bestfoods (formerly CPC International, Inc.) (consistent with Bestfoods' sole obligations under the July 2001 Second Amendment to Administrative Order on Consent) agree to assume financial responsibility for those EPA costs associated with the RI/FS at OU-2 as further defined in Paragraphs 43 and 44 of this Consent Order, as amended. The activities constituting the RI/FS are described and defined in the November 2000 Statement of Work ("SOW"), as set forth in Appendix I of the July 2001 Second Amendment to Administrative Order on Consent. The activities constituting the RI/FS shall also include all additional activities mandated by EPA pursuant to the terms of this Consent Order, as amended. The Consent Order, as amended, is issued pursuant to the authority vested in the President of the United States by Sections 104, 107 and 122(d)(3) (relating to a settlement agreement for action under Section 104(b)) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 ("CERCLA"), as amended, 42 U.S.C. §§ 9604, 9607 and 9622. This authority has been delegated to the Administrator of EPA by Executive Order 12850, 52 Fed. Reg. 2926 (1987), further delegated to the Regional Administrator of EPA Region I by EPA Delegation Nos. 14-14C and 14-14-D, and further delegated to the Director, Office of Site Remediation and Restoration ("OSRR"), by EPA Region I Order No. 1200, dated June 30, 1995. Performing Respondents are jointly and severally liable for carrying out the obligations required of the Performing Respondents by the Consent Order, as amended. In the event of the insolvency or other failure of the Performing Respondents to implement the requirements of this Consent Order, as amended, the remaining Performing Respondents shall complete all such requirements. Contributing Respondents are jointly and severally liable for the obligations required of Contributing Respondents by the Consent Order, as amended. In the event of the insolvency or other failure of any of the Contributing Respondents to implement their obligations under this Consent Order, as amended, the remaining Contributing Respondents shall complete all such obligations. Each undersigned representative of Respondents certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Order, as amended, and to execute and legally bind Respondents to this Consent Order, as amended. The Respondents consent to and will not contest EPA jurisdiction regarding the Consent Order, as amended.

1a. References to Respondent or Respondent CCL in Paragraphs 2, 15-42, 45-54, and 56-57 of the Consent Order, as amended, shall be deemed to refer to Performing Respondents CCL and Waste Management. References to Respondent Bestfoods in Paragraphs 43 and 44 of the Consent Order, as amended, shall be deemed to refer to Bestfoods and Waste Management.

12. Respondents shall mean those parties identified in Appendix I of the Third Amendment. Those parties identified as Contributing Respondents shall mean the corporations, individuals, or other legal entities listed on Appendix I to the Consent Order, as amended, who have signed this Consent Order and who have agreed, consistent with Paragraph 1 set forth

above, to provide a part of the funding required for the Performing Respondents to meet their obligations under this Consent Order, as amended. Those parties identified as Performing Respondents shall mean the corporations, individuals, or other legal entities listed on Appendix I to the Consent Order, as amended, who have signed this Consent Order, as amended, and who have agreed, consistent with Paragraph 1 set forth above, to be responsible for performing all work required by this Consent Order, as amended, and for the payment of all sums due pursuant to the terms of the Consent Order, as amended, with funding contributed by the Contributing Respondents. Those parties identified as Cash-Out Respondents have contributed funds to the performance of the work required by this Consent Order, as amended, and are not obligated to perform the work required herein as defined herein.

26. Documents, including reports, approvals, disapprovals, and other correspondence to be submitted pursuant to the Consent Order, as amended, shall be sent to the Project Coordinators designated pursuant to Paragraph 28 or to such other persons designated in writing by EPA or the Respondents.

59. The provisions of the Consent Order, as amended, shall be deemed satisfied upon the issuance of the Record of Decision for OU-2 by EPA. For the purposes of the Consent Order, as amended, the issuance of the Record of Decision for OU-2 by EPA shall be a determination that the Performing and Contributing Respondents have demonstrated, to the satisfaction of EPA, that all the terms of the Consent Order, as amended, including the additional tasks, have been completed. Upon the issuance of the Record of Decision for OU-2 by EPA all obligations and duties of the Performing and Contributing Respondents arising under the Consent Order, as amended, shall terminate. This shall not, however, terminate the Performing and Contributing Respondents' obligation to pay for Past Response Costs and Future Response Costs for the RI/FS for OU-2 and any stipulated penalties under demand by EPA including the environmental improvement project required pursuant to Paragraph 41a of the Consent Order, as amended. "Past Response Costs" shall mean all costs, including, but not limited to, direct and indirect costs, that the United States paid at or in connection with OU-2 through September 30, 2000, plus interest on all such costs which has accrued pursuant to 42 U.S.C. § 9607(a) through such date. "Future Response Costs" shall mean all costs, including, but not limited to, direct and indirect costs, that the United States incurs in reviewing or developing plans, reports and other items pursuant to this Consent Order, as amended, verifying the work undertaken pursuant to this Consent Order, as amended, or otherwise implementing, overseeing, or enforcing this Consent Order through the date of the issuance of the Record of Decision for OU-2 by EPA, including but not limited to, payroll costs, contractor costs, travel costs, laboratory costs, and Agency for Toxic Substances and Disease Registry costs. Future Response Costs shall also include all Interim Response Costs, which shall include all costs, including direct and indirect costs, (a) paid by the United States in connection with this Consent Order, as amended, between September 30, 2000 and the effective date of this Third Amendment, or (b) incurred prior to the effective date, but paid after that date.

60. In consideration of the actions performed and the payments made by Respondents under the terms of this Consent Order, as amended, and except as otherwise specifically provided for in this Consent Order, as amended, EPA covenants not to sue or take administrative action against Respondents pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), for the Work performed under this Consent Order, as amended, or to recover Past

Response Costs or Future Response Costs. "Work" shall mean all activities Respondents have performed and are required to perform under this Consent Order, as amended (inclusive of all activities performed since May 29, 1987), except those required by Paragraph 39 (Record Preservation). This covenant not to sue is conditioned upon the satisfactory performance by Respondents of their obligations under this Consent Order, as amended, including, but not limited to, payment of Future Response Costs pursuant to the relevant provisions of this Consent Order, as amended. This covenant not to sue extends only to Respondents and does not extend to any other person. This covenant not to sue does not pertain to any matters other than those expressly identified herein.

61. Respondents covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the Work, Past Response Costs, Future Response Costs or this Consent Order, as amended, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claims arising out of the Work or arising out of the response actions at or in connection with OU-2 for which the Past Response Costs or Future Response Costs have been or will be incurred, including any claim under the United States Constitution, the Rhode Island Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or
- c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Work or payment of Past Response Costs or Future Response Costs.

62. Except as expressly provided in Paragraph 61 of this Consent Order, as amended, these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 42, but only to the extent that Respondents' claims arise from the same response action, response costs, or damages that the United States is seeking pursuant to the applicable reservation.

63. Nothing in this Consent Order, as amended, shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

64. EPA and Respondents agree that the actions undertaken by Respondents in accordance with this Consent Order, as amended, do not constitute an admission of any liability by any Respondent. Respondents do not admit, and retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Consent Order, as amended, the validity of the facts or allegations contained in this Consent Order, as amended. Respondents agree to comply with and be bound by the terms of this Consent Order, as amended, and further agree that they will not contest the basis or validity of this Consent Order, as amended, or its terms.

65. EPA and the Respondents agree that Respondents and their parents, subsidiaries and affiliates are entitled to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), for “matters addressed” in this Consent Order, as amended. The “matters addressed” in this Consent Order, as amended, are the Work, Past Response Costs and Future Response Costs. Except as provided in Paragraph 60 of this Consent Order, as amended, nothing in this Consent Order, as amended, precludes the United States or Respondents from asserting any claims, causes of action, or demands against any persons not parties to this Consent Order, as amended, for indemnification, contribution or cost recovery.
