Re: Supplemental Request for Information Pursuant to Section 104 of CERCLA in relation to the former Whitney Barrel Company at the Wells G & H Superfund Site in Woburn, Massachusetts, hereinafter referred to as the "Site"

Dear Ms. Duft:

The United States Environmental Protection Agency (EPA) is investigating the source, extent and nature of the release or threatened release of any hazardous substance, pollutant or contaminant, or hazardous waste at the Whitney Barrel Company, 256 Salem Street, Woburn, Massachusetts, situated within the Wells G & H Superfund Site in Woburn, Massachusetts (the "Site"). This investigation includes an inquiry into the identification, nature, source, and quantity of materials transported to the Site and/or generated, treated, stored, or disposed of at the Site. This letter seeks your cooperation in providing information and documents relating to the environmental conditions at, and cleanup of, the Site.

Specifically, EPA is seeking additional details regarding some of the information you provided in your, March 31, 2004, response to EPA's Section 104(e) Request For Information dated December 15, 2003. This letter requests your cooperation in providing information and documents to EPA clarifying your relationship to the Whitney Barrel Company and thereby your relationship to the Site.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9604(e), you are hereby requested to respond to the Information Request set forth in the Enclosure to this letter.

While EPA seeks your voluntary cooperation in this investigation, compliance with the Information Request is required by law. Failure to provide a complete truthful response to this

0030-0236

Information Request **within thirty (30) days** of your receipt of this letter, or to adequately justify such failure to respond, may subject you to an enforcement action by EPA pursuant to Section 104(e) of CERCLA. This provision permits EPA to seek the imposition of penalties of up to thirty-two thousand five hundred dollars (\$32,500) for each day of non-compliance.

Please note that responses which are incomplete, ambiguous, or evasive will be treated as complete non-compliance with this Information Request. Also, be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. § 1001.

This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. § 3501 et seq. Your response to this Information Request should be mailed to:

If you have questions concerning the this Information Request, you may contact Martha Bosworth, Enforcement Coordinator at 617-918-1407. Technical questions concerning the Site should be referred to Joseph LeMay, the Remedial Project Manager at 617-918-1323. If you have legal questions, or if your attorney wishes to communicate with EPA on your behalf, please contact Susan Scott, Enforcement Counsel at (617) 918-1778.

Due to the seriousness of the problem at the Site and the legal ramifications of your failure to respond properly, EPA strongly encourages you to give this matter your immediate attention and to respond to this Information Request within the time specified above. Thank you for your cooperation in this matter.

Sincerely,

Bruce A. Marshall, Chief

- 7. The term “the Site” shall mean and include the property on or about the 330 acres of land in Woburn, Massachusetts currently identified by the U.S. EPA as the Wells G & H Superfund Site.
- 8. The term “material” or “materials” shall mean any and all objects, goods, substances, or matter of any kind, including but not limited to wastes.

9. The term “waste” or “wastes” shall mean and include trash, garbage, refuse, by-products, solid waste, hazardous waste, hazardous substances, and pollutants or contaminants, whether solid, liquid, or sludge, including but not limited to containers for temporary or permanent holding of such wastes.
10. The term “container” shall mean any metal or plastic vessel, including but not limited to, drums, barrels, tins, and tanks.
11. The term “Whitney Barrel” shall mean Whitney Barrel Co., Inc., its officers, managers, employees, trustees, successors, and agents, and any predecessor, parent, or successor corporations or companies.
12. The term “104(e) response” shall mean Mallinckrodt’s response dated March 31, 2004 to the CERCLA 104(e) Information Requests dated December 15, 2003 which were directed to Great Lakes Container Corporation and Kingston Steel Drum.

INFORMATION REQUEST QUESTIONS

Information Concerning the Sale of the Great Lakes Container Division

1. In your 104(e) response, you stated that Kingston Steel Drum became a division of Great Lakes Container and that the Great Lakes Container Division was sold to The 3016 Corporation in 1976. Please describe the environmental liabilities for Kingston Steel Drum (Great Lakes Container Division) that Mallinckrodt retained and those that The 3016 Corporation assumed pursuant to this transaction. Please provide any documentation, contracts, and/or agreements related to this transaction.
2. Please describe the current relationship, if any, between Mallinckrodt and Great Lakes Container.
3. In your 104(e) response, you stated that the Kingston Steel Drum facility ceased operations in 1976 when the facility was sold to The 3016 Corporation but you provided evidence of drums and other wastes being picked up from the facility through 1980. Please describe the nature of the operations conducted at the Kingston Steel Drum facility from 1976 through 1980.

Information Concerning Respondent’s Association with Whitney Barrel

1. For each shipment of used containers to Whitney Barrel, please provide:
 - a. The dates of each pickup and delivery;
 - b. The number of containers;
 - c. The type(s) of containers;
 - d. The condition of each container;

- e. The original and any subsequently added contents (i.e., bulk raw material storage, finished product packaging, and/or waste storage), including but not limited to empty barrel residues, of each container including:
 - i. the name of each material;
 - ii. the chemical composition of each material;
 - iii. the physical state of each material (e.g., solid, sludge, liquid);
 - iv. the volume of each material;
 - f. A description of the process Respondent used to empty, rinse, and/or clean the containers prior to pick-up/delivery;
 - g. A description of how Respondent disposed of any emptied materials and/or rinse water;
 - h. The name(s) and street address(es) of each customer whose drums were sent/delivered to Whitney Barrel during the 1973 through 1980 time period; and
 - i. Any documentation or additional information regarding these transactions.
2. Describe the circumstances under which you would send/deliver drums to Whitney Barrel rather than process them in your own facility (i.e., unable to process volume of inventory at facility, unable to process type of drums, etc.).

Information Concerning Respondent's Association with any other Drum Reconditioning and/or Recycling Companies

- 1. State whether Respondent sent, received, or traded containers with any other drum reconditioning/recycling company during the period being investigated, including but not limited to Edward C. Whitney & Son, Inc. (also known as E. C. Whitney), Kingsland Drum Company, Roche Brothers Barrel & Drum Co., Roy Brothers, Inc., Ryan Barrel Company, and Woburn Barrel.
- 2. For each of the above companies, please identify:
 - a. How frequently each company sent, received, or traded containers with the Respondent;
 - b. The original and any subsequently added contents (i.e., bulk raw material storage, finished product packaging, and/or waste storage), including but not limited to empty barrel residues, of each container including:
 - i. the name of each material;
 - ii. the chemical composition of each material;
 - iii. the physical state of each material (e.g., solid, sludge, liquid);
 - iv. the volume of each material;
 - c. The volume (i.e., number of containers, size of each container, and volume of waste associated with each container) of containers sent, received, or traded with the Respondent;
 - d. The time period during which containers were sent, received, or traded with the Respondent;

- e. A description of the process Respondent used to empty, rinse, and/or clean the containers prior to pick-up/delivery;
- f. A description of how Respondent disposed of any emptied materials and/or rinse water;
- g. The circumstances under which you would send/deliver drums to the company rather than process them in your own facility (i.e., unable to process the volume of inventory at the facility, unable to process the type of drums, etc.); and
- h. Provide any documentation or additional information related to these transactions.

Compliance with this Request

Note: All questions in this section refer to the present time unless otherwise indicated.

1. Describe all sources reviewed or consulted in responding to this request and all individuals who have any knowledge of, or information about, the subject matter of any of the foregoing questions, including but not limited to:
 - a. The name of each individual;
 - b. The current job title and job description of each individual;
 - c. The job title and job description during the period being investigated of each individual;
 - d. Whether each individual is a current or past employee of Respondent;
 - e. A description of the types of information the individual possesses (i.e., specific information on company operations, wastes generated, and/or waste disposal practices);
 - f. The names of all divisions or offices of Respondent for which records were reviewed;
 - g. The nature of all documents reviewed;
 - h. The locations where those documents reviewed were kept prior to review; and
 - i. The location where those documents reviewed are currently kept.
