Sites in Continued Use

Whittaker Corporation Superfund Site

3134 California Street, Minneapolis, Minnesota 55418

Site Name: Whittaker Corporation Superfund Site

Size: 7.5 acres

Supported Site Uses: Industrial, Commercial

Existing Site Infrastructure: All major utilities are available on the site.

Readiness for Use:

In Continued Use: Several offices, as well as commercial and light industrial companies, still operate on the site.

Minneapolis, Minnesota

The site is in northeast Minneapolis, Hennepin County, Minnesota, approximately 1,200 feet east of the Mississippi River.

SETTING:

- The site is zoned for industrial land uses.
- Active land uses within the site include commercial and industrial.
- The site includes a dog day care business and other light industrial businesses.
- Surrounding population: 0.5 mile, 985 people; 2.5 miles, 40,249 people; 4 miles, 119,661 people.

REMEDIAL STATUS:

- Construction of the site's remedy was completed in 1992, and the site was deleted from the National Priorities List in 1999. The remedy consisted of removing drums and drum remnants, excavating contaminated soil, and installing ground water pump and treat systems.
