Greener Cleanups Task Force

Heather Nifong, Illinois EPA

Region 5 Greener Cleanups Workshop

February 9, 2010

Disclaimer

These presentations are being provided as part of a U.S. Environmental Protection Agency workshop. The presentations do not constitute U.S. EPA policy or final interpretation. Mention of any trade names or commercial products does not constitute endorsement or recommendation for use.

Links to non-EPA web sites do not imply any official EPA endorsement of, or a responsibility for, the opinions, ideas, data, or products presented at those locations or guarantee the validity of the information provided. Such links are provided solely as a pointer to information that might be useful or interesting to the audience.

Remarks made by EPA or State Agency staff during the Workshop were made in their personal capacity and do not necessarily reflect the official position of the U.S. EPA or any other agency.

Some documents excerpted in these presentations are working, internal documents, not for publication or reliance in use.

Association of State and Territorial Solid Waste Management Officials (ASTSWMO)

Greener Cleanups Task Force (GCTF)

- Illinois (chair)
- California
- Colorado
- Delaware
- Georgia
- Massachusetts
- Missouri
- New York
- Oklahoma
- Oregon

Mission

Facilitate cleanup decisions that increase the net environmental benefits of remediation, and in doing so, contribute to site sustainability.

GCTF is a cross-program task force representing CERCLA, RCRA, Tanks, Brownfields and Federal Facilities.

GCTF Goals

- Identify best practices and incentives for greener cleanups;
- Support State programs in their efforts to integrate these approaches into State remedy selection and implementation processes;
- Strengthen partnerships between the States and U.S. EPA to improve greener cleanup capacities; and
- Operate as a technical resource for other ASTSWMO task forces and sub-committees.

Overcoming Barriers through Education of Regulators, Consultants, Industry and the Public

Documents prepared by the GCTF

- Implementing Greener Cleanups in the States
- Incentives for Greener Cleanups
- Incorporating Greener Cleanups into Post-Remedy Reviews
- Getting Started with Greener Cleanups by Debunking Some Myths
