Re: Request for Extension for Response to Preliminary Notice of Deficiency
TSCA Application for a Chemical Waste Unit at Clinton Landfill No. 3

Dear Mr. Martig:

Clinton Landfill, Inc. (CLI) hereby requests additional time to respond to the subject Preliminary Notice of Deficiency dated August 21, 2008. Specifically, due to the scope of the information requested, the need to coordinate our response with our consultant for this project, and our desire to ensure that each issue you raised is fully addressed, our response will require approximately two additional weeks to prepare. As such, CLI requests that it be allowed until October 10, 2008 to submit its response.

If you have any questions regarding this request or if any additional information is desired, please contact me at (309) 676-4893, ext. 1554.

Sincerely,
Clinton Landfill, Inc.

Ron L. Edwards
Operations Vice President
