Subject: Prevention of Significant Deterioration Greenhouse Gas Permit Application for a
Combined Cycle Electricity Generating Unit at Austin Energy Sand Hill Energy Center –
Application Revision

Dear Mr. Robinson:

On behalf of the City of Austin dba Austin Energy (Austin Energy), TRC Environmental Corporation submits the attached revised complete application for the "Prevention of Significant Deterioration Greenhouse Gas Permit Application" that was sent to the U.S. Environmental Protection Agency (EPA) originally on September 14, 2013.

The revisions to the application include updates to emission calculations and the Best Available Control Technology (BACT) cost analysis. Should you have technical questions regarding this application, please contact Mr. Ravi Joseph, P.E. at Austin Energy via telephone at 512.322.6284 or email at Ravi.Joseph@austinenenergy.com.

Sincerely,

TRC Environmental Corporation

Bruce Broberg, P.E.
Project Manager
