**RE: Calhoun Port Authority
Repowering the ES Joslin Power Station
Response to dated March 27, 2014**

Dear Mr. Stenger:

Per your letter to Mr. Charles R. Hausmann, Port Director dated March 27, 2014, Calhoun Port Authority respectfully requests that the United States Environmental Protection Agency (EPA) transfer our permit application for the Repowering of the ES Joslin Power Station and all relevant materials to the Texas Commission on Environmental Quality (TCEQ).

Please contact Lisa O. Murphy at 512.327.2725 or via email at Lisa@hillcountryenv.com if you have any question or require further information regarding this matter.

Sincerely,

Lisa O. Murphy, PE
President
