Dear Mr. Blanchard:

We wish to inform you that the draft Prevention of Significant Deterioration (PSD) permit for greenhouse gas emissions and the permit statement of basis have been completed. The public notice for the draft permit starts on Thursday August 2, 2012 and will end on Tuesday September 4, 2012. A copy of the draft permit and statement of basis are enclosed and will be made available to the public for review at the Deer Park Public Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP>.)

In the public notice we have planned for a public hearing on Wednesday September 5, 2012 from 6:30 pm to 8:30 pm. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Claude Burgess Building  
4200 Kalwick Dr.

However, if no request for a public hearing is received by August 29, 2012, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by September 4, 2012.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.
