RE: CEMEX Balcones Cement Plant GHG Permit application withdrawal request

Dear Mr. Robinson:

Thank you for your January 29, 2015 letter regarding the CEMEX Balcones Cement Plant greenhouse gas (GHG) Prevention of Significant Deterioration (PSD) permit application and the implications of the Supreme Court's ruling in *UARG v. EPA*. As CEMEX no longer intends to pursue the Kiln 1 burner pipe project at this time, we hereby withdraw the pending GHG PSD permit application. We have provided similar notice to the Texas Commission on Environmental Quality.

We appreciate all your efforts, as well as that of your team, on the draft permit. Should you have any questions or require additional information, please contact me at (713)722-1710.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly Dennis".
