**CEMEX Construction Materials South, LLC
Balcones Cement Plant
New Braunfels, Comal County, Texas**

**ANNOUNCEMENT OF PROPOSED PERMIT AND PUBLIC HEARING, AND REQUEST
FOR PUBLIC COMMENT OF PROPOSED CLEAN AIR ACT GREENHOUSE GAS
PREVENTION OF SIGNIFICANT DETERIORATION PRECONSTRUCTION PERMIT**

Public Comment Period November 17, 2013 to December 17, 2013

The United States Environmental Protection Agency (EPA) provides notice of and requests public comments on the EPA's proposed action relating to the Prevention of Significant Deterioration (PSD) permit application for the CEMEX Construction Materials South, LLC Balcones Cement Plant. If finalized, the permit would regulate greenhouse gas (GHG) pollutant emissions associated with the project to modify an existing cement manufacturing complex in accordance with the PSD regulation (40 CFR 52.21). The proposed modifications are to take place at 2580 Wald Road, New Braunfels, TX 78132 at the following coordinates: 29° 40' 22" N and 98° 10' 56" W.

EPA concludes that the CEMEX – Balcones Cement Plant is subject to PSD review for the pollutant GHGs, as the project will result in increased greenhouse gas emissions for a facility described at 40 CFR 52.21(b)(49)(iv). The proposed project consists of the increase in production of cement clinker associated with Kiln No. 2 and installation of new multi channel burners in the kilns of both existing cement kilns at the site. EPA Region 6 implements a Greenhouse Gas (GHG) PSD Federal Implementation Plan (FIP) for Texas under the provisions of 40 CFR 52.21 (except paragraph (a)(1)). *See 40 CFR 52.2305.*

Any interested individual may submit written comments on EPA's proposed PSD permit for the Balcones Cement Plant. All comments must be received in writing or be postmarked by December 17, 2013. Direct the comments to Mr. Brad Toups at one of the following addresses:

EPA will consider and respond to all comments in making the final decision regarding the issuing of the permit. Similar comments may be grouped together in the response, and the EPA will not respond to individual commenters directly.

Additionally, all comments will be included in the administrative record without change, and may be made available to the public, including any personal information provided, unless the comments includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Thus, CBI or other protected information should be clearly identified as such, and should not be submitted through email. Emails sent directly to the EPA will capture your email address automatically and will be included as part of the public comment. *Please note that an email or postal address must be provided with your comments if you wish to receive responses to comments submitted during the public comment period and direct notification of EPA's final decision regarding the permit.*

An extension of the 30-day comment period may be granted if the request for an extension adequately demonstrates why additional time is required to prepare comments.

Public Hearing: If EPA determines that there is a significant degree of public interest in the draft permit, the EPA has the right to hold a public hearing. Any request for a public hearing must be received by the EPA either by email or U.S. mail by December 17, 2013, and must state the nature of the issues proposed to be raised in the hearing. Attendance at the public hearing is not required in order to submit written comments. **If the EPA determines that there is significant public interest**, a public hearing will be held on January 7, 2014 from 6:00 p.m. to 8:00 p.m. at the following location:

New Braunfels Public Library
Public Meeting Room
700 Commons St
New Braunfels, TX 78130
(830) 221-4300

If a public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The EPA maintains the right to cancel a public hearing if no request for a public hearing is received by December 17, 2013, or the EPA determines that there is not significant interest. **If the public hearing is cancelled**, notification of the cancellation will be posted by December 20, 2013 on the EPA's Website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the contact number listed above to determine if the public hearing has been cancelled.

Permit Documents: EPA's draft permit, EPA's preliminary determination and statement of basis, CEMEX- Balcones Cement Plant's permit application and supporting documentation, and comments received from the public, other government agencies, and the applicant during the public comment period become part of the administrative record for the permit. In addition, all data submitted by the applicant is available as a part of the administrative record.
