Dear Dr. Cynthia Gleason:

We wish to inform you that the draft Prevention of Significant Deterioration (PSD) permit for greenhouse gas emissions and the permit statement of basis have been completed. The public notice for the draft permit starts on Wednesday November 14, 2012 and will end on Monday December 17, 2012. A copy of the draft permit and statement of basis are enclosed and will be made available to the public for review at the Sterling Municipal Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP.>)

In the public notice, we have planned for a public hearing on Wednesday December 19, 2012 from 6:00 pm to 8:00 pm. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Sterling Municipal Library
1 Mary Elizabeth Wilbanks Ave.
Baytown, TX 77520
(281) 427-7331

However, if no request for a public hearing is received by December 10, 2012, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by December 14, 2012.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.

Sincerely,
