A copy of the draft permit and statement of basis are enclosed and will be made available to the public for review at the Sheridan Memorial Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP.>)

In the public notice, we have planned for a public hearing on Wednesday February 27, 2013 from 6:00 pm to 8:00 pm. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Sheridan Community Center

However, if no request for a public hearing is received by February 8, 2013, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by February 12, 2013.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.
