RE: *Selection of GHG PSD Permitting Authority*  
*Delaware Basin JV Gathering LLC – Avalon Mega CGF*  
*Loving County, Texas*  
*Customer Number (CN): 603815879, Regulated Entity Number (RN): RN106562895*

Dear Mr. Stenger:

Delaware Basin JV Gathering LLC (DBJVG) proposes to construct a gas processing facility near Mentone in Loving County, Texas (Avalon Mega Central Gathering Facility [CGF]). DBJVG is registered under Texas Commission on Environmental Quality (TCEQ) Customer Reference Number CN603815879 and TCEQ Regulated Entity Number (RN) RN106562895.

In regards to your March 27, 2014 letter, DBJVG selects the TCEQ to be the permitting authority for the Avalon Mega CGF Greenhouse Gas (GHG) Prevention of Significant Deterioration (PSD) application. DBJVG requests that the Environmental Protection Agency (EPA) transfer the permit application for the Avalon Mega CGF and all relevant materials to the TCEQ. DBJVG understands per "Transition Process for Pending GHG PSD Permit Applications and Issued GHG PSD Permits upon Rescission of the GHG PSD FIP" by selecting TCEQ as the permitting authority, TCEQ will not have the authority to propose or issue a GHG PSD permit for the Avalon Mega CGF until the FIP rescission is effective 30 days after publication of the EPA's final rule in the Federal Register.

If you have any questions please contact Edward Schmults, EHS Representative, at (832) 636-2553.

Sincerely,

DELAWARE BASIN JV GATHERING LLC
