Summary of Revisions in Final Permit

U.S. Environmental Protection Agency
September 26, 2012

Summary of the Formal Public Participation Process

The U.S. Environmental Protection Agency, Region 6 (EPA) proposed to issue a Prevention of Significant Deterioration (PSD) permit to the Enterprise Products Operating LLC (Enterprise), Mont Belvieu Complex on August 8, 2012. The public comment period on the draft permit began August 8, 2012 and closed on September 10, 2012. EPA announced the public comment period through a public notice published in *The Baytown Sun* on August 8, 2012 and on Region 6's website. EPA also notified agencies and municipalities on August 8, 2012 in accordance with 40 CFR Part 124.

The Administrative Record for the draft permit was made available at EPA Region 6's office. EPA also made the draft permit, Statement of Basis and other supporting documentation available on Region 6's website, the West Chambers Branch Library in Mont Belvieu, TX.

EPA's public notice for the draft permit also provided the public with notice of the public hearing. The public notice stated that "Any requests for a public hearing must be received by EPA by email or mail by August 31, 2012, and must state the nature of the issues proposed to be raised in the hearing...*EPA has the right to cancel a public hearing if no request for a public hearing is received by August 31, 2012 or EPA determines that there is not significant interest. If the hearing is cancelled, EPA will post an announcement of the cancellation by September 7, 2012 on EPA's website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the above contact number to determine if the public hearing has been cancelled.*" EPA did not receive any written comments concerning the draft permit during the comment period, and did not receive any written requests for a public hearing. EPA posted its announcement that there would not be a hearing on September 6, 2012.

Revisions in Final Permit

The following is a list of administrative and clarifying changes for the *Enterprise Products Operating LLC (Enterprise), Mont Belvieu Complex (PSD-TX-154-GHG) Prevention of Significant Deterioration Permit, Final Permit Conditions*.
