Dear Mr. Benton,

We wish to inform you that the draft Prevention of Significant Deterioration (PSD) permit for greenhouse gas emissions and the permit statement of basis have been completed. The public notice for the draft permit starts on Wednesday August 8, 2012 and will end on Monday September 10, 2012. A copy of both the draft permit and statement of basis are enclosed, and also will be made available to the public for review at the West Chambers Public Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP.>)

In the public notice we have planned for a public hearing on Wednesday September 12, 2012 from 6:00 pm to 8:00 pm. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Senior's Hall: Dining Hall
11607 Eagle Dr.
Mont Belvieu, TX 77580

However, if no request for a public hearing is received by August 31, 2012, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by September 7, 2012.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.

Sincerely,
