ANNOUNCEMENT OF PROPOSED PERMIT AND PUBLIC HEARING, AND REQUEST FOR  
PUBLIC COMMENT OF PROPOSED CLEAN AIR ACT GREENHOUSE GAS PREVENTION OF  
SIGNIFICANT DETERIORATION PRECONSTRUCTION PERMIT

Public Comment Period August 8, 2012 – September 8, 2012

The United States Environmental Protection Agency (EPA) provides notice of and requests public comment on the EPA's proposed action relating to the Prevention of Significant Deterioration (PSD) permit application for the Enterprise Mont Belvieu Complex. EPA is issuing notice of a draft PSD permit for the Enterprise facility in accordance with the PSD regulation (40 CFR 52.21) that if finalized would regulate the greenhouse gas (GHG) air pollutant emissions associated with the project to construct two new fractionation units and a deisobutanizer unit. The installation of the new equipment will occur at the existing facility, which is located at the following address: 10207 FM 1942 Mont Belvieu, TX 77580.

Under the provision of 40 CFR 52.21 (except paragraph (a)(1)), EPA Region 6 implements a GHG PSD Federal Implementation plan for Texas. *See 40 CFR 52.2305*. As the project will result in increased greenhouse gas emissions for a facility described at 40 CFR 52.21 (b)(49)(iv), EPA concludes that Enterprise's application is subject to PSD review for the pollutant GHGs. The proposed project will consist of the construction of a deisobutanizer unit and two new fractionation units that will include a new flare, ancillary tanks, cooling towers, two deethanizer distillation columns, two debutanizer distillation columns, two natural gas fired hot oil heaters, and two natural gas fired regenerant gas heaters.

Any interested individual may submit written comments on EPA's proposed PSD permit for the Enterprise project. All comments must be received in writing by September 8, 2012 or postmarked by September 8, 2012 to Aimee Wilson at one of the following addresses:

Any emails sent directly to the EPA will capture your email address automatically, which will then be included as a part of the public comment. *Please note that an email or postal address must be provided with your comments if you wish to receive responses to comments submitted during the public comment period and direct notification of EPA's final decision regarding the permit.*

Any requests for a public hearing must be received by the EPA either by email or mail by August 31, 2012, and must state the nature of the issues proposed to be raised in the hearing. Attendance at the public hearing is not required in order to submit written comments. *If the EPA determines that there is significant public interest*, a public hearing will be held on September 12, 2012 from 6:00 p.m. to 8:00 p.m. at the following location:

If a public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. EPA has the right to cancel a public hearing if no request for a public hearing is received by August 31, 2012 or EPA determines that there is not significant interest. *If the hearing is cancelled*, EPA will post an announcement of the cancellation by September 7, 2012 on EPA's website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the above contact number to determine if the public hearing has been cancelled.
