Summary of Revisions in Final Permit

U.S. Environmental Protection Agency
October 3, 2012

Summary of the Formal Public Participation Process

The U.S. Environmental Protection Agency, Region 6 (EPA) proposed to issue a Prevention of Significant Deterioration (PSD) permit to the Energy Transfer Partners, LP, dba Lone Star NGL, LLC (Lone Star), Mont Belvieu Gas Plant on August 29, 2012. The public comment period on the draft permit began August 29, 2012 and closed on October 1, 2012. EPA announced the public comment period through a public notice published in *The Baytown Sun* on August 29, 2012 and on Region 6's website. EPA also notified agencies and municipalities on August 29, 2012 in accordance with 40 CFR Part 124.

The Administrative Record for the draft permit was made available at EPA Region 6's office. EPA also made the draft permit, Statement of Basis and other supporting documentation available on Region 6's website, the West Chambers Branch Library in Mont Belvieu, TX.

EPA's public notice for the draft permit also provided the public with notice of the public hearing. The public notice stated that "Any requests for a public hearing must be received by the EPA via email or mail by September 24, 2012, and must state the nature of the issues proposed to be raised in the hearing...*EPA maintains the right to cancel a public hearing if no request for a public hearing is received by September 24, 2012 or EPA determines that there is not a significant public interest. If the hearing is cancelled, EPA will post an announcement of the cancellation by September 28, 2012 on the EPA website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the above contact number to determine if the public hearing has been cancelled.*" EPA did not receive any written comments concerning the draft permit during the comment period, and did not receive any written requests for a public hearing. EPA posted its announcement that there would not be a hearing on September 27, 2012.
