**Subject: Greenhouse Gas Permitting Authority Selection  
Mountain Creek Steam Electric Station Project  
Application for Greenhouse Gas Prevention of Significant Deterioration Permit  
Dallas County, Texas**

Dear Ms. Stenger:

ExTex LaPorte Limited Partnership (ExTex LaPorte or Exelon Power) is in receipt of the United States Environmental Protection Agency's (US EPA's) March 27, 2014 letter requesting that ExTex LaPorte select the Greenhouse Gas (GHG) permitting authority for the Mountain Creek Steam Electric Station project. ExTex LaPorte hereby respectfully requests that the US EPA transfer GHG permitting authority, the permit application, and all relevant materials for the project to the Texas Commission on Environmental Quality (TCEQ).

If you have any question or need additional information, please do not hesitate to contact me via electronic mail at [Albert.Hatton@exeloncorp.com](mailto:Albert.Hatton@exeloncorp.com) or by phone at (610) 765-5316.

Sincerely,  
ExTex LaPorte Limited Partnership
