PUBLIC NOTICE

Golden Spread Electric Cooperative, Inc.

Antelope Elk Energy Center

**ANNOUNCEMENT OF PROPOSED PERMIT AND PUBLIC HEARING, AND REQUEST FOR
PUBLIC COMMENT OF PROPOSED CLEAN AIR ACT GREENHOUSE GAS PREVENTION OF
SIGNIFICANT DETERIORATION PRECONSTRUCTION PERMIT**

Permit Number: PSD-TX-1358-GHG

Public Comment Period April 29, 2014 to May 29, 2014

The United States Environmental Protection Agency (EPA) provides notice of and requests public comments on the EPA's proposed action relating to the Prevention of Significant Deterioration (PSD) permit application for the Golden Spread Electric Cooperative, Inc., Antelope Elk Energy Center Project. If finalized, the permit would regulate greenhouse gas (GHG) pollutant emissions associated with the project to construct a gas turbine in addition to its existing power plant (Antelope Elk Energy Center) at 1454 County Road 315, Abernathy, Texas, 79311-6006, Hale County.

Under the provisions of 40 CFR § 52.21 (except paragraph (a)(1)), EPA Region 6 implements a greenhouse gas PSD Federal Implementation Plan (FIP) for Texas. *See 40 CFR § 52.2305.* As the project will result in increased GHG emissions for a facility described at 40 CFR § 52.21(b)(49)(v), EPA concludes that the application is subject to PSD review for GHG emissions. With this proposed project, Golden Spread Electric Cooperative, Inc., plans to construct a natural gas-fired simple-cycle turbine and associated equipment, a diesel-fired emergency generator, a gas-fired fuel gas heater, and circuit breakers. For the purposes of this proposed permitting action, GHG emissions are permitted from the turbine, its auxiliary fuel gas heater, the diesel emergency generator engine, circuit breakers, fugitive and maintenance, startup, and shut down emissions.

Any interested individual may submit written comments on EPA's proposed PSD permit for Golden Spread Electric Cooperative, Inc.'s Antelope Elk Energy Center. All comments must be received in writing by May 29, 2014, or postmarked by May 29, 2014, to Melanie Magee at one of the following addresses:

EPA will consider and respond to all comments in making the final decision regarding the issuing of the permit. Similar comments may be grouped together in the response, and the EPA will not respond to individual commenters directly.

Additionally, all comments will be included in the administrative record without change, and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Thus, CBI or other protected information should be clearly identified as such, and should not be submitted through email. Emails sent directly to the EPA will capture your email address automatically and will be included as a part of the public comment. *Please note that an email or postal address must be provided with your comments if you wish to receive responses to comments submitted during the public comment period and direct notification of EPA's final decision regarding the permit.*

An extension of the 30-day comment period may be granted if the request for an extension adequately demonstrates why additional time is required to prepare comments.

Public Hearing: If EPA determines that there is a significant amount of public interest in the draft permit, the EPA has the right to hold a public hearing. Any request for a public hearing must be received by the EPA either by email or mail by May 21, 2014, and must state the nature of the issues proposed to be raised in the hearing. Attendance at the public hearing is not required in order to submit written comments. *If the EPA determines that there is significant public interest*, a public hearing will be held on June 11, 2014, from 5:00 p.m. to 7:00 p.m. at the following location:

Community Room, City of Abernathy City Hall

811 Avenue D
Abernathy, TX 79311
(806) 298-4138

If a public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The EPA maintains the right to cancel a public hearing if no request for a public hearing is received by May 21, 2014, or the EPA determines that there is not a significant interest. *If the public hearing is cancelled*, notification of the cancellation will be posted by May 23, 2014, on the EPA's Website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the contact number listed above to determine if the public hearing has been cancelled.

Permit Documents: EPA's draft permit, EPA's preliminary determination and statement of basis, Golden Spread Electric Cooperative Inc.'s permit application and supporting documentation, and comments received from the public, other government agencies, and the applicant during the public comment period become part of the administrative record for the permit. In addition, all data submitted by the applicant is available as a part of the administrative record. The public can access the administrative record at the following locations (please call in advance for available viewing times):

Abernathy Public Library

811 Avenue D
Abernathy, TX 79311
