Re: Section 106 of the National Historic Preservation Act of 1966, as amended  
Proposed Indeck Wharton Energy Center, Wharton County, Texas  
106/EPA (THC Track #201407996)

Dear Mr. Robinson:

Thank you for your correspondence regarding the above project, received on April 7, 2014, and further information received on April 28, 2014. This letter serves as comment on the proposed undertaking from the State Historic Preservation Officer (SHPO), the Executive Director of the Texas Historical Commission.

The review staff, led by Quana Childs, has completed its review and has the following comments: The Scope of Work is described as the construction of a new natural gas-fired, electric generation facility located in Danevang, Texas. We concur with your determination that the proposed project will have **No Adverse Effect** on the historic resources. The project may proceed as proposed.

Thank you for your cooperation in this federal review process, and for your efforts to preserve the irreplaceable heritage of Texas. **If you have any questions concerning our review or if we can be of further assistance, please contact Quana Childs at 512/463-9122.**

Sincerely,

Quana Childs, Architect
