In the public notice we have planned for a public hearing on May 12, 2014 from 5:00 p.m. to 7:00 p.m. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

However, if no request for a public hearing is received by April 22, 2014, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by April 24, 2014.
