Dear Jeff Robinson, Chief, Air Permits Section,

Regarding your proposed project, installation of required nitrogen oxide controls and modifications to the existing boilers and fuel system piping in Victoria, Victoria County, TX, we submit the following:

The Tonkawa Tribe is interested in the sites that have Prehistoric and or Native American significance and keeping all burial sites from being disturbed during construction of needed facilities.

The Tonkawa Tribe has no specifically designated historical or cultural sites identified in the above listed project area. However if any human remains, funerary objects, or other evidence of historical or cultural significance is inadvertently discovered then the Tonkawa Tribe would certainly be interested in proper disposition thereof.

We appreciate notification by your office of the many projects on-going, and as always the Tonkawa Tribe is willing to work with your representatives in any manner to uphold the provisions of NAGPRA to the extent of our capability.

Respectfully,
