PUBLIC NOTICE

Lon C. Hill, LP Power Station

ANNOUNCEMENT OF PROPOSED PERMIT AND PUBLIC HEARING, AND REQUEST FOR
PUBLIC COMMENT OF PROPOSED CLEAN AIR ACT GREENHOUSE GAS PREVENTION OF
SIGNIFICANT DETERIORATION PRECONSTRUCTION PERMIT

PSD-TX-1380-GHG

Public Comment Period September 18, 2014 to October 20, 2014

The United States Environmental Protection Agency (EPA) provides notice of and requests public comments on the EPA's proposed action relating to the Prevention of Significant Deterioration (PSD) permit application for the Lon C. Hill Power Station (LCH) Project. If finalized, the permit would regulate greenhouse gas (GHG) pollutant emissions associated with the project to construct, own and operate a combined cycle power plant in Nueces County.

Under the provisions of 40 CFR § 52.21 (except paragraph (a)(1)), EPA Region 6 implements a greenhouse gas PSD Federal Implementation Plan (FIP) for Texas. *See 40 CFR § 52.2305*. EPA concludes that the application is subject to PSD review for the pollutant GHGs. The proposed new facility will consist of two natural gas-fired combustion turbines, two heat recovery steam generators with natural gas-fired duct burners and one steam turbine generator. Construction will occur at 3501 Callicoatte Rd., Corpus Christi, TX 78410.

Any interested individual may submit written comments on EPA's proposed PSD permit for the LCH power station project. All comments must be received in writing by October 20, 2014, or postmarked by October 20, 2014, to Sherry Fuerst at one of the following addresses:

EPA will consider and respond to all comments in making the final decision regarding the issuing of the permit. Similar comments may be grouped together in the response, and the EPA will not respond to individual commenters directly.

Additionally, all comments will be included in the administrative record without change, and may be made available to the public, including any personal information provided, unless the comment includes

Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Thus, CBI or other protected information should be clearly identified as such, and should not be submitted through email. Emails sent directly to the EPA will capture your email address automatically and will be included as a part of the public comment. *Please note that an email or postal address must be provided with your comments if you wish to receive responses to comments submitted during the public comment period and direct notification of EPA's final decision regarding the permit.*

An extension of the 30-day comment period may be granted if the request for an extension adequately demonstrates why additional time is required to prepare comments.

Public Hearing: If EPA determines that there is a significant amount of public interest in the draft permit, the EPA has the right to hold a public hearing. Any request for a public hearing must be received by the EPA either by email or mail by October 10, 2014, and must state the nature of the issues proposed to be raised in the hearing. Attendance at the public hearing is not required in order to submit written comments. *If the EPA determines that there is significant public interest*, a public hearing will be held on October 28, 2014, from 5:00 p.m. to 7:00 p.m. at the following location:

Owen R. Hopkins Public Library

3202 McKinzie Rd.
Corpus Christi, TX 78410
(361)-826-2350

If a public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The EPA maintains the right to cancel a public hearing if no request for a public hearing is received by October 10, 2014, or the EPA determines that there is not a significant interest. *If the public hearing is cancelled*, notification of the cancellation will be posted by October 15, 2014, on the EPA's Website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the contact number listed above to determine if the public hearing has been cancelled.

Permit Documents: EPA's draft permit, EPA's preliminary determination and statement of basis, Lon C. Hill, LP's permit application and supporting documentation, and comments received from the public, other government agencies, and the applicant during the public comment period become part of the administrative record for the permit. In addition, all data submitted by the applicant is available as a part of the administrative record. The public can access the administrative record at the following locations (please call in advance for available viewing times):

Owen R. Hopkins Public Library

3202 McKinzie Rd.
Corpus Christi, TX 78410
