Dear Mr. Bakker:

The public notice for the draft permit starts on Saturday, June 21, 2014 and will end on Monday, July 21, 2014. A copy of the draft permit and statement of basis are enclosed and will be made available to the public for review at the Mitchell County Public Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP.>)

In the public notice, we have planned for a public hearing on Thursday, July 28, 2014 from 5:00 pm to 7:00 pm. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

However, if no request for a public hearing is received by Monday, July 14, 2014, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, the notification will be posted on the EPA website by Wednesday July 16, 2014.
