**Summary of Revisions in Final Permit**

U.S. Environmental Protection Agency  
July 16, 2013

## Summary of the Formal Public Participation Process

The U.S. Environmental Protection Agency, Region 6 (EPA) proposed to issue a Prevention of Significant Deterioration (PSD) permit to the ONEOK Mont Belvieu NGL Fractionation Plant on May 29, 2013. The public comment period on the draft permit began May 29, 2013 and closed on June 28, 2013. EPA announced the public comment period through a public notice published in *The Baytown Sun* on May 29, 2013 and on Region 6's website. EPA also notified agencies and municipalities on May 23, 2013 in accordance with 40 CFR Part 124.

The Administrative Record for the draft permit was made available at EPA Region 6's office. EPA also made the draft permit, Statement of Basis and other supporting documentation available on Region 6's website, and available for viewing at the West Chambers Branch Library in Mont Belvieu, TX.

EPA's public notice for the draft permit also provided the public with notice of the public hearing. The public notice stated that "Any request for a public hearing must be received by the EPA either by email or mail by June 24, 2013, and must state the nature of the issues proposed to be raised in the hearing...EPA maintains the right to cancel a public hearing if no request for a public hearing is received by June 24, 2013, or the EPA determines that there is not a significant interest. If the public hearing is cancelled, notification of the cancellation will be posted by June 26, 2013 on the EPA's Website <http://yosemite.epa.gov/r6/Apermit.nsf/AirP>. Individuals may also call the EPA at the contact number listed above to determine if the public hearing has been cancelled." EPA did not receive any written comments concerning the draft permit during the comment period, and did not receive any written requests for a public hearing. EPA posted its announcement that there would not be a hearing on June 26, 2013.

## Revisions in Final Permit

The following is a list of administrative and clarifying changes for the *ONEOK Hydrocarbon, L.P., Mont Belvieu NGL Fractionation Plant (PSD-TX-106921-GHG) Prevention of Significant Deterioration Permit, Final Permit Conditions*.

### 1. Cover Sheet

The cover sheet titled "Prevention of Significant Deterioration Permit for Greenhouse Gas Emissions Issued Pursuant to the Requirements at 40 CFR §52.21" has been modified to state the following:

In accordance with 40 CFR §124.15(b)(3), this PSD Permit becomes effective ~~30 days after the service of notice of this final decision unless review is requested on the permit pursuant to 40 CFR §124.19~~ immediately upon issuance of this final decision.

This administrative change is made as a result of not receiving any comments during the comment period related to this action.

### 2. Page 18

Section V. titled "Performance Testing Requirements" has been modified as follows:

~~H.~~ H. The Permittee shall provide, or cause to be provided, performance testing facilities as follows:

1. Sampling ports adequate for test methods applicable to this facility,

2. Safe sampling platform(s),
3. Safe access to sampling platform(s), and
4. Utilities for sampling and testing equipment.

~~M.~~ I. Unless otherwise specified in this permit, each performance test shall consist of three separate runs using the applicable test method. Each run shall be conducted under the conditions specified in the applicable test method. For purposes of determining compliance with an applicable test method, the arithmetic mean of the results of the three runs shall apply.

~~N.~~ J. Emissions testing, as outlined above, shall be performed every three years, or more frequently if identified above, to verify continued performance at permitted emission limits.

This administrative change was made to correct an error in the list values.

#### **National Historic Preservation Act (NHPA)**

On May 31, 2013, EPA sent a letter to the State Historic Preservation Officer (SHPO) requesting concurrence on EPA findings for ONEOK's cultural survey. The SHPO sent a letter with concurrence to the EPA on June 18, 2013.
