Dear Mr. White:

We wish to inform you that the draft Prevention of Significant Deterioration (PSD) permit for greenhouse gas emissions and the permit statement of basis have been completed. The public notice for the draft permit starts on Wednesday, April 3, 2013 and will end on Friday, May 3, 2013. A copy of both the draft permit and statement of basis are enclosed, and also will be made available to the public for review at the Decatur Public Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP>).

In the public notice we have planned for a public hearing on Wednesday, May 15, 2013 from 5:00 p.m. to 7:00 p.m. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Decatur Public Library  
1700 Hwy. 51 South

However, if no request for a public hearing is received by April 26, 2013, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by May 6, 2013.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.
