Dear Mr. Kunkel:

We wish to inform you that the draft Prevention of Significant Deterioration (PSD) permit for greenhouse gas emissions and the permit statement of basis have been completed for the Tenaska Roan's Prairie Generating Station. The public notice for the draft permit starts on May 28, 2014 and will end on June 27, 2014. A copy of both the draft permit and statement of basis are enclosed, and also will be made available to the public for review at the Navasota Library and our website (<http://yosemite.epa.gov/r6/Apermit.nsf/AirP.>)

In the public notice we have planned for a public hearing on July 16, 2014 from 5:00 p.m. to 7:00 p.m. If the public hearing is held, the public comment period shall automatically be extended to the close of the public hearing. The public hearing is scheduled for the following location:

Grimes County Courthouse Annex
Commissioner's Courtroom
114 West Buffington
Anderson, TX 77830

However, if no request for a public hearing is received by June 16, 2014, or we determine that there is not a significant interest, the hearing will be cancelled. If the hearing is cancelled, we will notify you and the public by June 18, 2014.

If you have any questions, please feel free to contact me or Jeff Robinson at (214) 665-6435.
