Standards for Generators of Hazardous Waste  
 53 FR 45089-45093  
 November 8, 1988  
 (Non-HSWA Cluster V)

The Office of Management and Budget has decided that printers and users of the manifest need not include the "burden disclosure statement" on the manifest if to do so places an additional burden on them. OMB encourages States that have already incorporated the statement to retain it, and encourages those who have not yet incorporated it to add it at a future date. However, the decision regarding whether or not to add the statement is entirely up to the State using the form. Thus, this checklist is optional.

RCRA REVISION CHECKLIST 70

Changes to Part 124 Not Accounted for by Present Checklists

- 48 FR 14146-14295, April 1, 1983
- 48 FR 30113-30115, June 30, 1983
- 53 FR 28118-28157, July 26, 1988
- 53 FR 37396-37414, September 26, 1988
- 54 FR 246-258, January 4, 1989  
(Non-HSWA Cluster VI)

Note: Part 124 was affected by the deconsolidation of EPA's Consolidated Permit Regulations (48 FR 14146, April 1, 1983). In reprinting the Part 124 in the FR, a number of typographical errors and inadvertent omissions of paragraphs were made. On June 30, 1983 (48 FR 30113) and on January 4, 1989 (54 FR 246), these errors were corrected so that most of Part 124 again reads as it was originally printed in the July 1, 1982 CFR. Of the changes made by the April 1, 1983 article, only those which were not negated by the June 30, 1983 or January 4, 1989 articles are included in this checklist. Similarly, only those changes made by the June 30, 1983 or January 4, 1989 notices which are not merely corrections of errors in the April 1, 1983 article have been included in this checklist.
