RCRA REVISION CHECKLIST 25

Codification Rule, Technical Correction

51 FR 19176-19177

May 28, 1986

(HSWA Cluster I)

Note: On July 15, 1985, (50 FR 28702, Revision Checklist 17 F), §265.314(d) was inadvertently reserved. This section was originally promulgated on April 30, 1985, at 50 FR 18370 (see RCRA Revision Checklist 16). This rule corrects the July 15 language by removing the "reserved" reference to paragraph (d). Paragraph (d) remains as originally promulgated on April 30, 1985.
