Re: Final Authorization Changes to Federal RCRA Program

Dear Ms. Patterson:

Enclosed please find a copy of the Attorney General's (AG's) Statement for RCRA IV. The AG's statement is based upon SPA 15 and the materials provided to us by EPA. RCRA IV covers checklists 125, 126, 128, 131, 132 and 134. I have also enclosed a copy of recent amendments to 20 NMAC 4.1, which became effective November 1, 1995.

Thank you for your help in this matter. We look forward to receiving authorization for RCRA IV. Please feel free to call if you have any questions.

Sincerely,

SUSAN M. McMICHAEAL
Assistant General Counsel
