

US EPA ARCHIVE DOCUMENT

Targeted Brownfields Assessments

Rachel Lentz, EPA HQ

Overview

Targeted Brownfield Assessments (TBA)

- EPA provided environmental assessments performed through a contractor or IA.
- Non-competitive
- Especially useful for small and rural communities as well as environmental justice communities.
- Requests are accepted by regions on a rolling basis
- Information is posted on the regional website for how to request TBA assistance.
- Funding:
 - Varies by year, but generally around \$5M

Examples

- TBA recipients have become successful Brownfields Grantees
- Area-wide planning grants receiving TBA resources
 - Ironbound, New Jersey
 - City of Chicopee, Massachusetts
 - Kansas City, Missouri
 - San Francisco Park Alliance
