

**Action Items**  
**Regional Tribal Operations Committee Meeting**  
**Tribal Caucus – November 2012**

	Requested By:	Task	Who	When	Status	EPA Response
1	Central California	Japan tsunami debris on US coast – It is on the conference agenda. Will NOAA and other Federal partners participate/input too?				
2		Fish Consumption Study – Please invite Frazer (sp?) to come back to another RTOC meeting in 2013 for an update.				
3		One day RTOC at conference – Not acceptable, decision not made in consultation with RTOC reps.				
4		NCAI – Request update from anyone that attended.				
5		NTOC – Reinvigoration process, was it a charter change? If so, request copy to tribes.
