

The EPA Report

Announcements from Region 9 Programs

April 29, 2009

Tribal Air Funding

- The deadline for FY 10 proposals was January 9, 2009
- R9 has still not received tribal air funding from EPA HQ
- Tribes will be notified of their funding status as soon as R9 receives final tribal allocation—June 2009 (tentatively)
- Contact: Sara Bartholomew at 415-947-4100 or bartholomew.sara@epa.gov

Ozone Designations

- In 2008, EPA finalized a more stringent Ozone standard
- In January 2009, EPA asked states and tribes to provide recommendations on which areas meet the new standard and which do not
- Recommendations were due March 2009
- R9 received recommendations from **9** tribes in AZ, CA, and NV
- R9 is evaluating the recommendations and will respond no later than November 12, 2009
- EPA will issue final ozone designations by March 12, 2010
- Contact: Colleen McKaughan, at 520-498-0118 or mckaughan.colleen@epa.gov

Greenhouse Gas (GHG) Reporting Rule

- Proposed rule requires large producers of GHGs to submit annual reports to EPA
- Rule would only affect tribes that own or operate facilities that supply fossil fuels and industrial GHGs, manufacture vehicles and engines, and that emit $\geq 25,000$ metric tons of GHGs per year
- Rule signed March 10, 2009, Public comment period open until June 9, 2009

- Contact: Ben Machol, at 415-972-3770 or machol.ben@epa.gov

Decisive Legal Victory on Navajo Nation

- EPA issued a Federal Implementation Plan (FIP) for Four Corners power plant on Navajo Nation in May 2007
- EPA was sued by plant operator, Arizona Public Service (APS) for being too stringent
- EPA was also sued by several environmental groups for not including more in the FIP
- Court upheld EPA in all respects and affirmed that EPA can work with tribes on targeted FIPs to fill regulatory gaps
